INTERNSHIP COMPLETION CERTIFICATE

This certificate is proudly presented to

Sahil Choudhary

This is to certify that the above-named individual has successfully completed his internship with **Fulminous Software Private Limited, Jaipur, Rajasthan** from **03rd June 2026** to **18th July 2026.**

During his internship, Sahil worked as a **Software Developer-Intern** in the **Data Science** field where he demonstrated dedication and enthusiasm while working on data science-related tasks, including data collection, data preprocessing, exploratory data analysis (EDA), data visualization, statistical analysis, and the development of machine learning models. The intern also gained practical exposure to **Python, SQL, Pandas, NumPy, Scikit-learn**, and data visualization libraries, contributing to real-world data-driven solutions and analytical projects.

We acknowledge and appreciate the efforts put in during the internship and wish him success in his future professional journey.
